

“Impacting the Ocean Springs community and promoting volunteerism”

Make an impact with the Ocean Springs Chamber by volunteering with us! The Chamber Assistant Team is a volunteer team designed to allow service-oriented individuals a chance to make an impact in the community through the Chamber’s events and festivals. Chamber member businesses and local nonprofits will also be able to provide the team with information on volunteering opportunities. While our three-tiered Chamber focuses on Main Street, Tourism and Member business promotion and development, we also know the importance of servicing our community. We are passionate and prideful of our team and we hope you will join us!
